July/August 2014

Dear Parents and Students,

Welcome to our third and fourth grade CCB class in Room C108 at Lookout Mountain Elementary School. We have a very busy and exciting year in store for us!

Please let me first introduce myself. I am Linda Bones and I have lived in Phoenix, Arizona all of my life (third generation native). I have twenty years of teaching experience, some in Paradise Valley E.S. District, some in Wickenburg School District, and currently in Washington E.S. District. This will be my first year at Lookout Mountain Elementary teaching CCB 3-4. I taught nine years at Moon Mountain E.S. in the CCB 5-6 classroom. I consider myself very fortunate to be among such a professional faculty.

I realize that teaching your child is a privilege, as well as a tremendous responsibility. I will do my best this year to ensure that each student has a motivating and safe learning experience in the classroom. However, I cannot do this alone: I need both of your help. We all need to be partners in the learning process. I need you as parents to encourage your child at home by helping to ensure that they have completed their assignments, and help them study for quizzes, if necessary.

I will keep you informed of all assignments and subjects that are covered in class as well as how your child's day went regarding behavior with a daily "Make Your Day" point sheet. These point sheets will need to be signed by a parent and returned every school day.

More information about Classroom Procedures, Rules, and Expectations will be coming home on the first day of school in your child's daily Go Home Folder. I look forward to meeting all of you on Thursday, August 7, at 5:30-6:30 at Meet the Teacher Night! If you do have questions please feel free to call me or e-mail me. I know with your help we are going to have a great year!

Sincerely,

Mrs. Linda Bones
