

Freeman's Firecrackers

4rd Grade

Welcome to fourth grade! I am very excited to meet my new class of 2019-2020. I know that fourth grade is going to be a big step for most. You are becoming more independent and growing every day. We are going to have a fantastic year. Our class will participate in; a science fair, wax museum, and of course exploring and learning new things. So sit back and enjoy the ride. This is going to be a remarkable year.

About Me

My name is Mrs. Freeman. This will be my 12^h year teaching, 5 of those years with the Anchorage School District in Alaska, teaching 2nd and 4th grade. This will be my 7th year in this district - and here at Lookout Mountain. I went to elementary school and high school in London, England. I graduated from Western Governor's University with my Bachelors in Interdisciplinary Studies, and continued to further my education by obtaining a Master's of Science degree in Education.

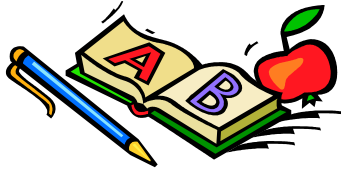

I am getting married for the second time in October, and I have 6 children and 10 grandchildren, with 1 more on the way. My oldest granddaughter lives in Phoenix and has special-needs; she is a huge part of my life. My other grandchildren live here, in Pennsylvania, New York, and in Alaska. My hobbies are watching movies, reading, scrap booking, English history, swimming and spending time with my family. I love teaching and I am really looking forward to meeting my new 4th grade class.

I hope you all had a great summer, and are now ready to get back into the school routine. I will see you for "Meet the Teacher," on Thursday, August 1, from 5pm-6pm, and of course, the first day of school, Monday, August 5 at 8:10am. Curriculum Night will be Thursday, Aug 15 at 5pm.

I am so excited to meet my new 2019-20 family.

Sincerely,
Mrs. Freeman
