

Hello Alvarado's Adventurers!

I am so excited to meet you all and have an amazing 2021-22 school year.

Let me introduce myself so you know a little bit about me. This will be my 5th year teaching fourth grade. Though I may seem new to you all, I actually started here back in 2016. I was student teaching in Mrs. Kahldon's room before becoming part of the Lookout Mountain family. I taught here for two years, then transferred to the Peoria Unified School District and taught for two years. Now I am back this year and fully intend on staying here for as long as possible!

Some other things about me: my favorite hobbies are hiking, writing, playing piano, guitar, and the ukulele, and singing. My husband and I just celebrated 4 years of marriage and I have a 2-year old daughter (almost 3).

As I said before, I am very excited for this new school year, and cannot wait to meet you all!

Sincerely,

Angeline Alvarado
